Enfield Rifle

How to Install ?

Add-on method:
1) Go to GTAV/update/update.rpf/common/data/dlclist.xml
2) press edit dlclist.xml
3) add this line

dlcpacks:\enfield

4) put folder enfield in: GTAV/update/x64/dlcpacks/

to use it in game use menyoo trainer then go to weapon option then to individual weapons then to favourite

then add new weapon and type this:
WEAPON_ENFILED
make sure it capital letters

and name weapon what you want and it will be in favourite weapons in menyoo .
